Message from SGEI

Dear Colleagues,

It is our pleasure to invite you to the 22nd Annual Scientific Meeting of the Society of Gastrointestinal Endoscopy of India (SGEI) ENDOCON 2022, which will be held from 8th to 10th September 2022 at Novotel, Hyderabad International Convention Centre, Hyderabad. This is specially a delightful occasion given the fact that ENDOCON is happening as a physical meeting after a gap of more than two years.

We are expecting a huge turnout of delegates from across the globe with over 200 faculty representing more than 10+ countries.

Spread over three days, ENDOCON 2022 will offer an exhaustive scientific feast catering to the everyday needs of a practicing or aspiring GI endoscopist. There are dedicated PG Courses, Plenary Sessions, and Breakfast Sessions to address specific topics and to enhance the interaction between practitioners coming from different areas of expertise.

There are four key Orations that will be delivered by some of the best minds in GI Endoscopy, The Presidential Oration by Dr. Vinay Dhir, the Prestigious BJ Vakil Oration by Prof. Guido Costamagna, HG Desai Oration by Dr. Amol Bapaye, and the Boston Scientific Oration by Dr. Saroj Sinha.

Whether you are a young GI Endoscopist, a GI clinician, or a researcher, you will ample exposure and all the latest update in your sub-specialty to broaden your horizons in GI Endoscopy at ENDOCON 2022.

We look forward to your active participation in this exciting meeting and would be happy to welcome you at Hyderabad.
