BREAST RADIATION ONCOLOGY

Hands - On Workshop

September 18th and 19th, 2021

📍 Mindspace Road, Gachibowli, Hyderabad - 500 032 ☎️ +91 40 4244 4222

🌐 info@aighospitals.com 🌐 www.aighospitals.com

Welcome to the AIG Institute of Oncology, Breast Radiation Oncology Workshop (Education Partner – Varian®)

The program is designed to develop a theoretical and practical understanding of the skill of Radiotherapy of Breast Cancer. The program involves didactic and practical lectures about the indications and evidence of breast radiotherapy, radiology of breast cancer, contouring guidelines and basic physics.

The participants will be given access to the Eclipse® planning system in which they can contour breast cancer cases with various indications and clinical scenarios. All the participants' contours will be reviewed by the faculty and certificates will be issued.
