## Welcome to AIG LIVE 2024!

*Dear Colleagues,*

On behalf of the organizing committee, it is our immense pleasure to extend a warm welcome to you for the highly anticipated AIG LIVE 2024, the biggest LIVE GI Endoscopy Workshop in the region. This flagship event from AIG Hospitals will be held from **19<sup>th</sup> to 21<sup>st</sup> September 2024 at the Hyderabad International Convention Centre (HICC), Novotel**, in the vibrant city of Hyderabad, India.

AIG LIVE 2024 promises to be an unparalleled gathering of GI professionals, bringing together the brightest minds and leading experts in the field of GI Endoscopy. This year's conference will comprehensively cover all aspects of GI Endoscopy, i.e., ERCP, EUS, Third Space Endoscopy, Bariatric Endoscopy, with a special focus on Artificial Intelligence in Endoscopy.

### Highlights of this GI Endoscopy extravaganza:

**LIVE GI Endoscopy:** Witness over 20 hours of live demonstrations ranging from diagnostic to advanced therapeutic procedures. This immersive experience will provide you with invaluable insights and practical knowledge directly from the experts.

**Eminent Faculty:** Learn from and interact with more than **20 World Renowned International Faculty** and over **400 esteemed National Faculty** who will share their latest research, innovations, and clinical expertise.

**Hands-on Workshop:** Enhance your skills at our comprehensive Hands-on Workshop. You will have the unique opportunity to practice advanced endoscopic procedures on animal models, guided by leading practitioners in the field.

**Innovative Devices and Techniques:** Discover and explore the latest advancements in endoscopic devices and techniques. The conference will showcase cutting-edge technologies that are set to transform the future of GI Endoscopy.

**Networking Opportunities:** Join over 2500 delegates from around the globe. This is a perfect platform to network, collaborate, and exchange ideas with your peers, fostering professional relationships that extend beyond the conference.

Hyderabad, known for its rich cultural heritage and booming technology sector, provides the perfect backdrop for this global event. The Hyderabad International Convention Centre offers world-class facilities, ensuring a comfortable and conducive environment for learning and networking.

We are confident that AIG LIVE 2024 will be a transformative experience, enriching your professional journey with new knowledge, skills, and connections. We eagerly look forward to your participation and contribution to making this conference a resounding success.

Join us in Hyderabad for an unforgettable event that will elevate your expertise and inspire your practice.

Warm regards,

Team AIG
