PATRONS

Dr. D. Nageshwar Reddy
Chairman, AIG Hospitals

Dr. G V Rao
Director, AIG Hospitals

The Institute of Oncology in AIG Hospitals carries on the legacy of excellence in healthcare at an affordable cost. It is a comprehensive facility, incorporating the best practices in cancer treatment backed up by state of the art infrastructure and a highly academic and experienced group of doctors.

Head and neck cancers continue to be a major cause of disability and death in our part of the world. In spite of many improvements in the field of its diagnosis and treatment, victims of these cancers continue to suffer a dismal fate.

The current meeting is a part of ongoing efforts to hem in various stakeholders in charge of diagnosis and treatment of head and the cancer and to make sure these patients are rehabilitated into the society with a good quality of life
